Our feta cheese, Kalamata olives, and extra-virgin olive oil are imported from Greece. Our pitas are made the traditional way by hand and our gyro meat is authentic and hand-cut. Our appetizers are our own recipes and are prepared fresh. We source local vegetables for our salads and our meats are purchased daily from the local butcher. And of course, our fries are cut fresh and cooked in high-quality corn oil.

*Everything we serve is made fresh
daily and on the premises!*
